

# Clearing a weapon before handing it to someone (DO THIS EVERYTIME)

- 1. Mag out, Mag away
- 2. Work the action (DON'T BABY IT)
- 3. Slide to the rear, by using the slide lock located on the side
- 4. Visually and physically inspect the chamber and mag well
- 5. Slide forward and holster
- 6. Or if handing it off to someone, leave the slide back.
- 7. And then they should visually and physically inspect it as well.
